

Information Technology Enterprise Solutions – 2 Services (ITES-2S)

ACCESSING THE ITES-2S CONTRACT VEHICLE:

1. Develop RFP
2. Log on to Army Small Computer Program (ASCP) *it e-mart* site <https://ascp.monmouth.army.mil> . **Create user account, if first-time user.**
3. Click on **RFQ / RFP Manager**.
4. Click on **Create New Request** button to start a new request
5. On the **New Request** page, **select the 'RFP for ITES-2S' Services** radio button
6. On the next page, **Create New Request:**
 - a. **Pick the IT service subcategory required and select the contracts (vendors)** to receive RFP. The Ordering Contracting Officer will issue a proposal request to all contractors, unless a waiver has been documented.
 - b. **Enter General and Specific Proposal Information**, as requested
 - c. **Click Submit Proposal button** to submit RFP.
7. **'Request Confirmation Screen'** will appear providing RFP identification and recipient vendors.
8. E-mail will be sent to you when RFP is submitted as well as when a proposal has been received.
9. **Issue Award**
